Islamic Republic of Iran
Civil Aviation Organization

Maintenance Organization Approval Certificate

Reference: **IR.145.10**

Pursuant to the Civil Aviation Regulation of the Islamic Republic of Iran for the time being in force and subject to the conditions specified below, the Civil Aviation Organization of the IR.Iran (CAO.IRI) hereby certifies:

Iran Aseman Airlines

P.O. Box: 13145-1476, Mehrabad international airport, Tehran, Iran
www.iaa.ir

as a maintenance organization in compliance with CAO.IRI Part-145, approved to maintain the products, parts and appliances listed in the attached "approval schedule" and issue related certificates of release to service using the above reference.

Conditions:

1. This approval is limited to that specified in the scope of work section of the approved Maintenance Organization Exposition (MOE) as referred to in section A of CAO.IRI Part-145, and
2. This approval requires compliance with the procedures specified in the approved MOE, and
3. This approval is valid whilst the approved maintenance organization remains in compliance with CAO.IRI Part-145.
4. Subject to compliance with the foregoing condition, this approval shall remain valid until any specified date of expiry, unless the approval has previously been surrendered, suspended or revoked.
